

Biographical Note

Dag Kroslid (51) is the Chief Executive Officer of NorDan Gruppen AS (www.nordangruppen.no), one of Europe's leading manufacturers of windows and doors. The company has revenues of 400 mEUR, 2,300 employees and entities in Norway, Sweden, Denmark, the U.K., Ireland, Poland, Lithuania and China.

In December 2022, Mr. Kroslid became an academician of the International Academy for Quality. He is also a member of the board of the Swedish Institute for Quality (SIQ). In June 2023, he was honoured with the European Quality Leader award for 2022/2023 from the European Organisation for Quality.

Before joining NorDan in 2014, Kroslid held COO positions at Norsafe AS in the offshore industry and Metallkraft AS in the solar-PV industry. He has also been a management consultant at Booz & Company in Germany and Ernst & Young in Norway.

Kroslid holds a PhD in Industrial Engineering and Management from Linköping University in Sweden. He has published books and articles on Six Sigma, 5S, Lean, Digitalization and Sustainability.
