

Biographical Note

Paula Guimarães is Sustainability Manager at The Navigator Company, where she has been working for over 28 years.

She has an extensive experience in developing and implementing corporate approaches on sustainability. Her experience track-record ranges from launching and implementing sustainable forest management certification and biodiversity conservation, to driving strategic projects on Sustainability positioning, Gender equality, Science-based targets for climate, alignment with the TCFD recommendations, or Nature positive, and contributing to ESG risk ratings.

She is the company's Liaison Delegate at the World Business Council for Sustainable Development (WBCSD) and its affiliate BCSD Portugal, and in external organizations, such as the Forest Solutions Group (WBCSD), and at the multistakeholders' platforms of Forests Forward (lead by WWF) and The Forests Dialogue (based on Yale University).

Paula holds an MSc in Forestry and complementary training in Sustainability, General Management and Leadership.
